American singer Mandy Moore has released six studio albums, three compilation albums, two video albums, twelve singles, and thirteen music videos. After being spotted singing at a recording studio by an artists and repertoire representative for Epic Records, Moore was signed to Sony Music. Her debut album, So Real, was released in December 1999. The album performed moderately on the charts ...

Genetic Markers Present - A simple painless test using hair, cheek, and blood cells can be performed to genetically type mitochondria. If there is a family history of sudden onset of blindness, whatever age, it is wise to check this out as the understanding of this disease process is relatively new as is the ability to test and classify the genes.
