Schonell Spelling Test B - Reading Reform Foundation

For centuries, there has been a movement to reform the spelling of English. It seeks to change English spelling so that it is more consistent, matches pronunciation better, and follows the alphabetic principle.. Common motives for spelling reform include quicker, cheaper learning, thus making English more useful for international communication.

Can we just use spell checkers? Abstract: The importance of spelling has been questioned in recent years, as word processing programs are equipped with spell checkers, and some educational reformists have suggested that focusing on spelling holds back the creative processes of writing and that students will naturally develop spelling skills through reading.
