## **social behaviour of animals pdf**

An anti-social behaviour order (ASBO) is a civil order made against a person who has been shown, on the balance of evidence, to have engaged in anti-social behaviour. The orders, introduced in the United Kingdom by Prime Minister Tony Blair in 1998, were designed to criminalize minor incidents that would not have warranted prosecution before.. The Crime and Disorder Act 1998 defines anti ...

Animal sexual behaviour takes many different forms, including within the same species. Common mating or reproductively motivated systems include monogamy, polygyny, polyandry, polygamy and promiscuity. Other sexual behaviour may be reproductively motivated (e.g. sex apparently due to duress or coercion and situational sexual behaviour) or non-reproductively motivated (e.g. interspecific ...

Most antifreeze is made from ethylene glycol. Ethylene glycol-based antifreeze tastes sweet but is highly toxic to both humans and animals. To help protect pets, wildlife and children, the provincial government passed a regulation that requires the addition of a bittering agent to all antifreeze sold at the consumer level in British Columbia.
