Social Sciences Online - eZSSOL

Advances in Social Sciences Research Journal (ASSRJ) is an international peer reviewed open access bi-monthly on-line journal published by the Society for Science and Education United Kingdom.

Advances in Social Sciences Research Journal

Social research is a research conducted by social scientists following a systematic plan. Social research methodologies can be classified as quantitative and qualitative.. Quantitative designs approach social phenomena through quantifiable evidence, and often rely on statistical analysis of many cases (or across intentionally designed treatments in an experiment) to create valid and reliable ...

Social research - Wikipedia

Social science is a category of academic disciplines, concerned with society and the relationships among individuals within a society. Social science as a whole has many branches. These social sciences include, but are not limited to: anthropology, archaeology, communication studies, economics, history, human geography, jurisprudence, linguistics, political science, psychology, public health ...

Social science - Wikipedia

Social Sciences (SS) invites contributions directed toward a critical and theoretical understanding of cultural, political, and social processes. It is available for the publication of information and discussion by active ethnographic researchers into the forces involved in the production of human suffering, poverty, prejudice, war, and violence.
