Testing Theories of American Politics: Elites, Interest ...

Intellectual origins of United States prisons. Incarceration as a form of criminal punishment is "a comparatively recent episode in Anglo-American jurisprudence," according to historian Adam J. Hirsch. Before the nineteenth century, sentences of penal confinement were rare in the criminal courts of British North America. But penal incarceration had been utilized in England as early as the ...

History of United States prison systems - Wikipedia

Social class in the United States is a controversial issue, having many competing definitions, models, and even disagreements over its very existence. Many Americans believe that in the country there are just three classes: the American rich; the American middle class; the American poor. More complex models that have been proposed describe as many as a dozen class levels; while still others ...

HIST 1121. The War of Ideas in European and International History, 1750-Present. 0-3 Credits. The ideas that made people fight, from the French Revolution to the worldwide uprisings of the 1960s and beyond.

History | University Bulletin | The George Washington ...

1. Universalism Versus Particularism. Communitarians have sought to deflate the universal pretensions of liberal theory. The main target has been Rawls description of the original position as an "Archimedean point"™ from which the structure of a social system can be appraised, a position whose special virtue is that it allows us to regard the human condition "from the perspective of ...

Communitarianism (Stanford Encyclopedia of Philosophy)

Systems Simulation: The Shortest Route to Applications. This site features information about discrete event system modeling and simulation. It includes discussions on descriptive simulation modeling, programming commands, techniques for sensitivity estimation, optimization and goal-seeking by simulation, and what-if analysis.
