The Fabian Society was founded on 4 January 1884 in London as an offshoot of a society founded a year earlier called The Fellowship of the New Life. Early Fellowship members included the visionary Victorian elite, among them poets Edward Carpenter and John Davidson, sexologist Havelock Ellis, and early socialist Edward R. Pease. They wanted to transform society by setting an example of clean ...

A secret society is a club or an organization whose activities, events, inner functioning, or membership are concealed from non-members. The society may or may not attempt to conceal its existence. The term usually excludes covert groups, such as intelligence agencies or guerrilla insurgencies, that hide their activities and memberships but maintain a public presence.

Edward B. Tylorâs Primitive Culture articulates one of two major theories of culture to emerge around 1870. His theory defines culture in descriptive terms as the âcomplex wholeâ that makes up social ideas and institutions, and in this it helped to establish anthropology as a recognized science.
